

Instruction for Posters at SIMS EUROSIM 2024

At SIMS EUROSIM 2024, *Poster* contributions are presented at the *Poster Session(s)* by the author(s) by means of a poster of DIN A0 size. The posters should be on display throughout SIMS EUROSIM 2024. We ask authors to bring poster with them to SIMS EUROSIM 2024. Poster walls are ready for mount the posters from [TBA]. Poster walls are marked with assigned posters.

During the *Poster Session* authors should be present at their displayed poster to answer question of participants. The Poster Sessions will be fitted in the congress programme.

For display, poster wallets will be available, size of the poster should be DIN A0 (841 x 1189 mm, portrait format).

Poster preparation

We ask contributors to prepare a poster in following style:

- poster size DIN A0 - (841 x 1189 mm, portrait format)
- poster header with the title
 - Poster Title centred Oswald Regular/Arial/Helvetica Font 96 pt size, 1 or more lines,
 - below title: author(s) with affiliation, email address, centred, Arial 48 pt size
 - at right bottom, logo and / or author's affiliation
- poster body – text in two columns; figures can exceed the columns if needed to improve visualization
