New Submission for SIMS EUROSIM 2021

Follow the instructions, step by step, and then use the "Submit" button at the bottom of the form. The required fields are marked by *.

Author Information

For each author please fill out the form below. Some items on the form are explained here:

- **Email address** will only be used for communication with the authors. It will not appear in public Web pages of this conference. The email address can be omitted for not corresponding authors. These authors will also have no access to the submission page.
- **Web page** can be used on the conference Web pages, for example, for making the program. It should be a Web page of the author, not the Web page of her or his organization.
- Each author marked as a **corresponding author** will receive email messages from the system about this submission. There must be at least one corresponding author.
- One of the authors should be marked as a **presenter**. If you are not sure, choose your best guess.

Fill ASCII descriptions **Title, Abstract and Keywords**. This abstract is the **short version** for the **Program**.

Then choose the paper type:

Paper type. * Full scientific papers are published in the Linköping Electronic Conference Proceedings. Short papers are published in the Simulation Notes Europe. Extended

- Full papers for publishing in the Linköping Electronic Conference Proceedings
- Industry papers for publishing by the Finnish Society of Automation
- Short papers for publishing in the Journal SNE
- Extended abstracts for publishing by Finnish Automation Society
- Thematic session

and add appropriate files.

For a proposal of a Thematic session

- **Fill the author information as an organizer**
- **Add the session title, abstract and keywords**
- **Choose paper type "Thematic session"**
- **Add the information of the session as a file including**

Thematic session.

- Title of the thematic session
- Abstract (150-300 words)
- Name and contact information of the organizers
- List of at least 4 contributions containing (preliminary) paper titles, author names and contact information of the corresponding author.

Please note that the contributions do not need to be of the same type.
